D

DUMMY

# DUMMY

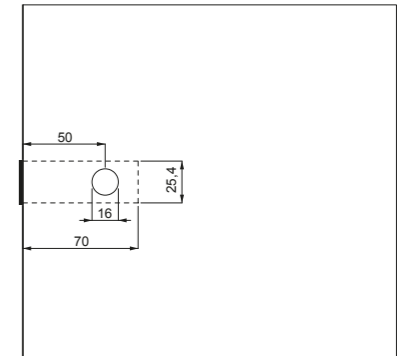

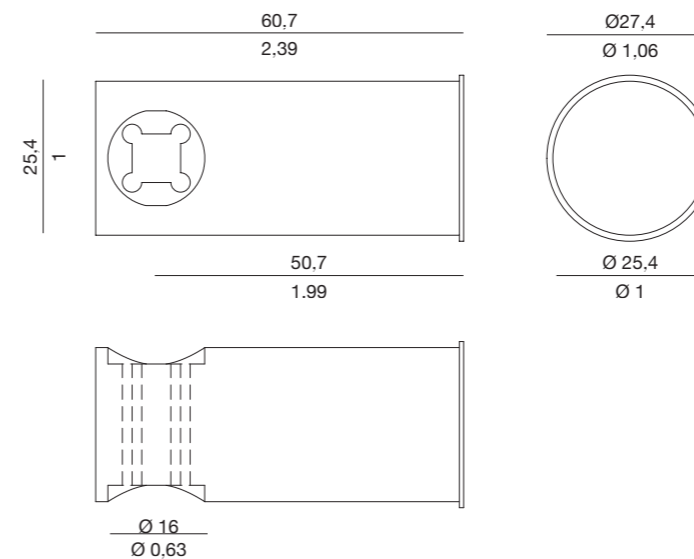

COD. 128032

DUMMY È UN SISTEMA BREVETTATO CHE GRAZIE AD UN CILINDRO PERMETTE IL FISSAGGIO SUL PANNELLO PORTA DI UNA MANIGLIA NUDA O QUALSIASI ALTRA MANIGLIA IN ASSENZA DI UNA SERRATURA. DUMMY È SVILUPPATO PER PORTE, PANNELLI DI BOISERIE, ANTE DI MOBILI O CABINE ARMADIO DOVE NON È RICHIESTA UNA FUNZIONE DI CHIUSURA MA ESCLUSIVAMENTE UNA MANIGLIA PER POTER SPINGERE E TIRARE L'ANTA. DUMMY PERMETTE IL FISSAGGIO DELLA MANIGLIA SU ENTRAMBI I LATI O SU UN UNICO LATO DEL PANNELLO PORTA. DISPONIBILE PER TUTTI I MODELLI DELLA COLLEZIONE NUDA.

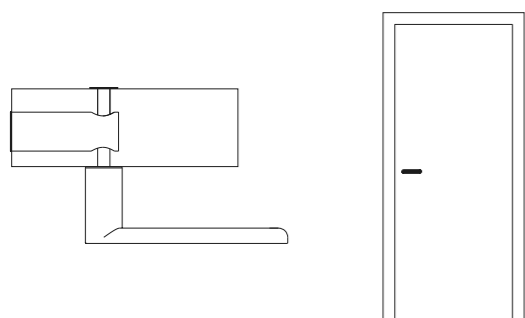

DUMMY THROUGH A CYLINDER, ALLOWS THE FIXING OF A NUDA HANDLE OR ANY OTHER TYPE OF HANDLE ON A DOOR PANEL WITHOUT ANY LOCKING SYSTEM. DUMMY IS A PATENTED PRODUCT DEVELOPED FOR DOORS, BOISERIE PANELS, WALK IN CABINETS WHERE NO LOCKING IS NEEDED BUT JUST PULLING AND PUSHING FUNCTION IS REQUIRED. IT KEEPS THE HANDLE FIXED TO THE PANEL. DUMMY IS SUITABLE FOR FIXING A HANDLE ON BOTH SIDES OR JUST ONE SIDE OF THE DOOR. AVAILABLE FOR ALL NUDA MODELS.

# DUMMY CLEVER

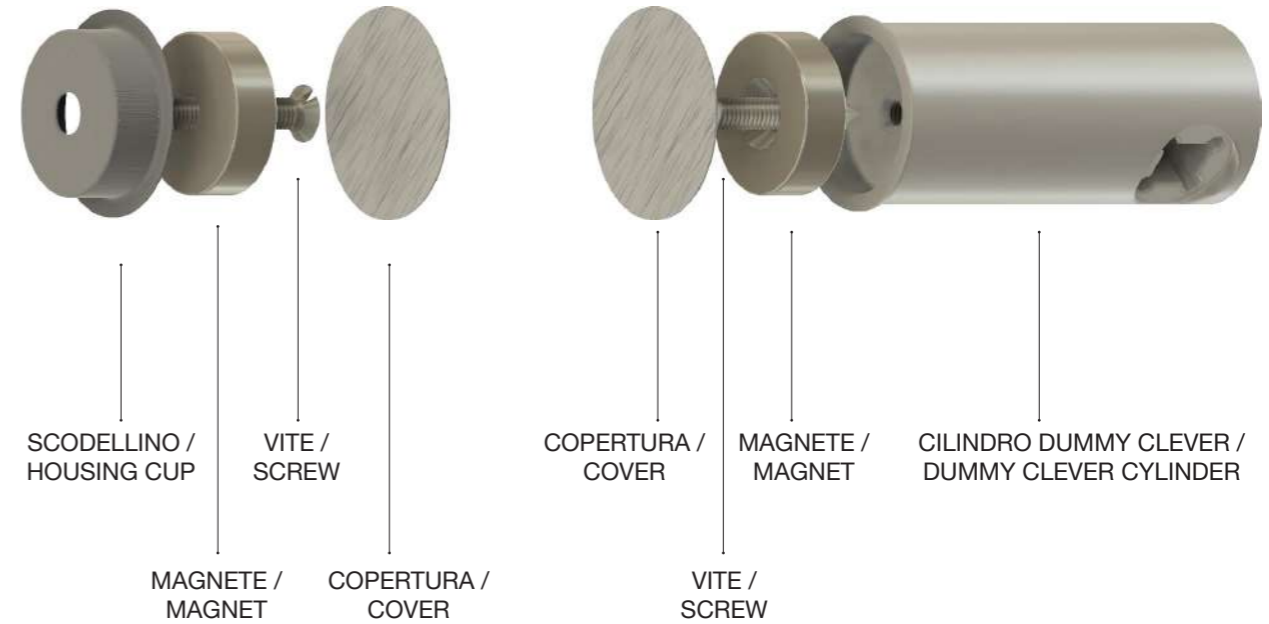

COD. 128032M

DUMMY CLEVER HA LA MEDESIMA FUNZIONALITÀ DI DUMMY, PERMETTENDO PERÒ DI TENERE LA PORTA IN POSIZIONE DI CHIUSURA GRAZIE ALL'ATTRAZIONE MAGNETICA.  
 IL PLUS DI QUESTO SISTEMA BREVETTATO CONSISTE NELL'APPLICAZIONE DI UN MAGNETE ALL'INTERNO DEL CORPO CILINDRICO CHE VIENE ATTRATTO DA UN SECONDO MAGNETE MONTATO NELLO STIPITE; IN QUESTO MODO È POSSIBILE TENERE LA PORTA IN POSIZIONE DI CHIUSURA.  
 DUMMY CLEVER PERMETTE IL FISSAGGIO DELLA MANIGLIA SU UN SOLO LATO DELLA PORTA O SU ENTRAMBI.  
 DISPONIBILE PER TUTTI I MODELLI DELLA COLLEZIONE NUDA.

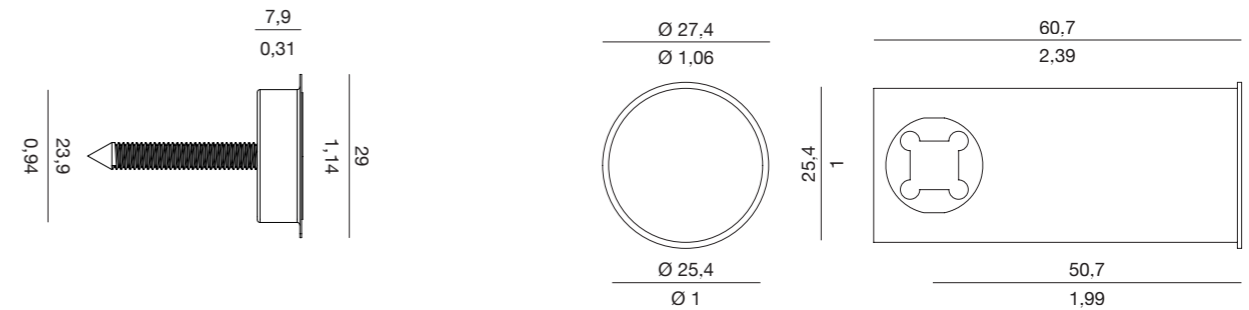

DUMMY CLEVER HAS THE SAME FUNCTION OF DUMMY BUT IT CAN ALSO KEEP THE DOOR SHUT THANKS TO MAGNETIC ATTRACTION.  
 THE PLUS OF THIS PATENTED SYSTEM IS THE MAGNET IN THE CYLINDRICAL BODY WHICH IS ATTRACTED TO ANOTHER MAGNET TO BE FIXED IN THE DOOR FRAME; IN THIS WAY IT IS POSSIBLE TO KEEP THE DOOR SHUT.  
 DUMMY CLEVER IS SUITABLE FOR FIXING A HANDLE ON BOTH SIDES OR JUST ONE SIDE OF THE DOOR.  
 AVAILABLE FOR ALL NUDA MODELS.
